Sola Expedition Base Layers

(SOLAEXPID)

From: \$79.99

To: \$179.98

Price as configured:
\$0.00

Expedition Weight Base Layers in the female styled Sola line utilize superfine, naturally wicking Merino Wool for optimal body temperature stability as conditions change from very warm to moderately cold, or dry to wet. Wool's natural versatility and anti-odor properties are enhanced with S3 silver ant-microbial technology, keeping garments fresher, longer.

- Expedition weight 310 gsm Merino wool blend fabric
- Cozy brushed fleece inside
- 1/4 Zip
- Chest pocket
- Action armholes for climbing and shooting
